This is one of LA County's premier bike paths. The total distance is 31 miles, more than enough to meet the 25-mile camping merit badge requirement. The route is paved, mostly flat with some slight downhill. It is considered easy, but long. Extra bikes are available, but space is limited depending on the number of bike carriers available.

YES, Boy Scout \_\_\_\_\_ has my permission and will be attending the San Gabriel River Bike Ride on September 26, 2004. There is no cost to Troop 125 but scouts should bring \$10.00 for food.
