

Troop 125 Venture Ski Trip June Mountain February 24-26, 2006

The Venture Scouts from Troop 125 will be taking their annual Winter Ski Weekend February 24-26. This year we will again be skiing and boarding at June Mountain. This beautiful location is generally less crowded than Mammoth Mountain, and is located just 30 minutes further north. From the slopes, you can view the beautiful June Lake Loop and Mono Lakes. We will be staying at the Fern Creek Lodge, just ½ mile from the ski lifts.

We will meet at Glenoaks Park at 4:00 PM on Friday the 24th, and return around 9:00 PM on the 26th. Scouts are encouraged to bring school books, as study time will be at a premium that weekend!

The cost for the weekend will be determined when we know the final number of Scouts, but should be approximately \$155 for the weekend. Included will be:

- 2 days of lift tickets (Saturday and Sunday)
- 2 nights of lodging (Friday and Saturday)
- 2 breakfasts (Saturday and Sunday)
- 1 dinner (Saturday)
- Transportation

The Scouts will need to bring cash for dinner on the way up on Friday, lunches on Saturday and Sunday at the ski lodge, and dinner on the way home. \$30 to \$35 should be more than enough to cover. Skis or boards should be rented here in town to minimize cost. If desired, 2 hour group lessons can be taken for an additional charge of \$50, and a 4 hour group lesson can be purchased for \$95.

In order to secure accommodations, we will need a **commitment** at the troop meeting on **Wednesday, January 25th** and a non-refundable* **deposit of \$50** to hold your space. The balance will be due on February 22nd.

Approximate Total Cost Breakdown, assuming gear rental (Sports Chalet) and no lessons:

Basic Trip – Payable to Troop 125	\$155.00
Cash for Food – Bring on trip	30.00
Ski/Board Rental (approx) and if required	50.00
Total Cost	\$235.00

To find out more about June Mountain, go to www.junemountain.com. Hope to see you there!

*If you need to back out for any reason, you will need to find a replacement from the eligible members of the troop in order to recover the deposit. If the trip is cancelled, the deposit will be refunded.

Yes! Boy Scout _____ will participate in the Troop 125 Venture Ski Trip on February 24 to 26, 2006. I agree to be financially responsible for any damage to the lodge where we will be staying that is caused by my Scout. I understand that all liability release forms must be signed, and that current medical forms must be on file with the Troop Medicine Man in order to participate in the trip. I further understand that I will need to send money with my son for dinner on Friday and Sunday evenings, and lunch on Friday and Saturday (\$30 - \$35).
