

# **Camp Emerald Bay**

## **August 8-14, 2004**

Dear Scouts and Parents

Located on beautiful Catalina Island, [Camp Emerald Bay](#) is an 88-acre camp offering an unbeatable location for a Boy Scout summer camp. Included in your camp fees is the ride to camp – an ocean boat ride that takes you directly from the mainland to the camp 26 miles off the Southern California coast. Troops come from all over the western states to attend the camp, renowned for its aquatic activities and crystal blue waters.

Younger Scouts can work on the requirements towards First Class, earn merit badges and participate in exciting, fun activities. Older Scouts can participate in activities that challenge them mentally and physically in their Rugged “E” High Adventure and SCUBA programs. An enthusiastic and well trained camp staff is available to help us with our adventure.

This will be an unforgettable experience for our Scouts!
